

№ 07/472

“07” May 2026-yil

Toshkent shahri

Dear Esteemed Partners,

On behalf of Tashkent International University, we are pleased to extend our sincere greetings and share an important academic opportunity with your institution.

We are proud to announce the International Summer School 2026, a specially designed program aimed at strengthening connections among the youth of Eurasian countries through academic exchange, cultural interaction, and practical experience. The program will take place from August 1–8, 2026, in Tashkent, Uzbekistan, and is open to students and young staff aged 16–30.

The Summer School includes four key academic tracks:

- Uzbek Culture and History
- Global Communication & Languages
- Artificial Intelligence & Future Technologies
- Business, Entrepreneurship & Leadership

In addition to academic sessions, participants will benefit from:

- Official visits to the Parliament and leading companies
- Cultural and historical exploration of Tashkent
- Excursions to major natural and touristic destinations

As part of our commitment to strengthening international academic cooperation and youth exchange across the Eurasian and beyond, Tashkent International University is pleased to provide free accommodation for students and young staff from our partner universities participating in the program. We kindly invite your university to share this opportunity with your students and young staff and encourage their active participation in this unique international program.
